

# NEW BOOK

# STEAM IN THE PINES

## A History of the Texas State Railroad

# \$ 9.95

\*add \$1.75 for postage

Drawn mostly from primary source documents, this new history tells the exciting and amazing story of how the Texas State Railroad, with humble beginnings as an industrial spur built and operated by the Texas prison system more than 120 years ago, developed into one of the most popular and unique tourist train operations in the country today.

66 pages, 17 b&w photos
