VETERANS OF FOREIGN WARS
OF
THE UNITED STATES

AN ASSOCIATION OF MEN
WHO HAVE FOUGHT
AMERICA'S FOREIGN WARS
ON LAND AND SEA

FOUNDED 1899

I am grateful for the opportunity of expressing my appreciation of this Angelina County World War II Book. As time goes by, we will cherish this book with a feeling of pride in a job well done. It will bring back happy memories of our friends and comrades pictured here, and make our determination even greater that those who did not return have not made the supreme sacrifice in vain.

Each man of Angelina County who served in uniform owes a debt of gratitude to the men and women who did not wear a uniform but were loyal soldiers on the home front.

To you who have returned and are returning each day, I urge you to become a member of the Veterans of Foreign Wars of the United States. This is your organization. You have fought to gain the peace, but this peace was gained only by the combined efforts of all of us. Now, you must work as a combined group and organization to preserve this peace. It was a cruel job that had to be done the hard way, but it was our privilege to be a part of preserving our American way of life.

As a member of the V.F.W., you will belong to an organization of far-reaching influence and prestige that will offer you an opportunity of continuing your service and duty to your country.

Johnnye W. Foster
V.F.W. Post Commander
Lufkin, Texas

We have made every effort to obtain the pictures and names of all men and women in the Armed Forces from this County. We realize, however, that our goal has not been attained and we sincerely regret any exclusions of names, as well as other errors, which may have occurred.
