

Martin is over here  
they are busy  
but as well as that  
it is as pretty as well  
they was talking about  
intending a candle drawing  
tomorrow night but  
they have given out  
nothing do think they  
would.

Others are talking  
about giving a singing  
next Saturday night  
well, at the school  
if we have a singing  
but you know and  
want you to be sure  
and do it.

I can help contribute  
with you, but go  
yours ever
