Esther I wish
you would come out
here, even if it is
only for three weeks.
I would be glad if
you would answer
this at once, and tell
me wheather you have
decided to come or not.

How far do
you live from Gimpsey

Many thanks
for you saying you often

think of me. I hope
you will always keep
you corner of your
heart green with
memory of me.

you have no
idea how much I want to
see you. just as the
boy in that little vice
went little Darling for
the girl he thought,
just so do I think
of you.

I hope you have
no idea giving you
self to any of those
fellows out there.

a blank for me.
