Dear Home folks:

Just a few lines in ans
to your letter which I was very
glad to get last Sunday and to
learn that you were o.k, hope this
will find you all well, I feel better
than I did when I wrote you last,
I would feel pretty good if I could
get rid of this cold.

I was sorry to learn that you
all are still having much bad
weather, I sure hope you will have
plenty pretty weather soon, we are
still not having any rain much,
but we are having plenty cold.

That sure was bad about Orie
and Lois's baby, how is Lois now?

No I don't ever hear from Melvin, I wrote them last but have never got an answer. I got a letter from Zella today also one from Alford, they were all O.K except Zella said the baby got one of her feet burned pretty bad on the "heater" but she thought it would ~~be~~ be O.K pretty soon.

Mama I got a letter from Mrs Anderson the other day, she said tell you "hello". I got a letter from Lillie and Emma Dean the other day, Lillie is just taking one shot a week now, and Emma Dean said she had a pretty bad cold, but was better. I got the statement from the Bank today, I ~~want~~ want to try to get off this week end, take care of your self, ans soon,
Love, Genard.

Dear Ellis:

I was glad to get your letter a few days ago, hope this will find you O.K. I feel better than I did, but my throat is still a little sore.

Sure hope you all are having some pretty weather by now, we don't have any rain much but plenty hard wind and cold. I know you all need some pretty weather so you can start farming. Don't get out of heart; just look at me; what if you was in my place? Have you got your tomato plants yet? I know it will be a big job to put them in the cold-frame.

Say, you said you put the

well, I got that statement from the bank today, maybe I can get off this week end.

That sure was bad about Ores and Lois baby, did you get to see Ores? I sent them a sympathy card. Emma Dean wrote me she had a bad cold, but was better and Lillie said she was just taking one shot a week now, you all take care of yourselves, and soon,
 Love,
 Denard.
