Dear Home folks:

I am worried and wondering why I have not heard from you all; did you not get my letter last week that I wrote you and Den both a letter. I hope this will find you all well. I don't feel very good. I mailed you a card yesterday; hope Ellis got home O.K. I know you and Den were glad to see him come home.

How is Dorothy + family? I don't see why she don't write me as I haven't heard from them since I was down there. I was very disappointed today as I just knew I would hear

from her and you all both,
but didnt. I dont see why
all of you dont write me
more often. I think of you
all most all the time
when I am not doing something

Has my Cow got a Calf
yet? guess she has. Is old spot
doing all right with her Calf?
hope she dont kick. are you
all having much rain now?
we are not having much up here,
but it was pretty Cool up here
last week.

well; I guess we will move
pretty soon; guess Ellis told
you about it, as I told him.
It is 2.25 miles from here, guess
I am lucky to stay here as

P.S. mama you tell mr winfrey to stop sending the Times to me and you pay him what I owe him on the paper. long as I have been here a year you might say, as it will be a year the 10th which is Thursday. I sure would like to stay here, but I can't expect to stay in the same place all the time. you all write me so I will get it not later than the 14th.

well, Ellis I guess you found plenty work to do when you got home, is the Cotton about ready to pick? Say Dennard how are you getting along in school by now? do you like your teacher's? Ellis did you find out where Everett went Sunday night? I don't have any news. I will write again soon. Anered soon.

Love,
Lenard.
