Dear Mama:

Just received your letter today of which I was glad to get and to learn that you all were o.k., hope this will find you all well, I don't feel so good as I was on guard duty last night and got pretty wet with this bad cold as it come a big rain and I didn't get much sleep either.

yes, I got a card from Della one day this week telling me about Cross getting his leg broke, sure was sorry to hear about it, hope he will soon be o.k., Della said the neighbors were going to pick their cotton. Glad you all have got the

Cotton picked as you just got one bale
and I think you all did good as you
had that Tomato patch too. I think
you all have done real good with the
whole Crop, and I didnt think
the Corn was as good as Ellis said
you got about five loads.

Emma Dean wrote me about how
Everette Come out with his Case, I
sure hope he will do better from now
on, I am glad he didnt have to go
up younder. I sent Lillie a pretty birth
day folder. Emma said she was doing
fine with her job and she like it. maybe
she will advance pretty soon.

I am send you all some money as
you might need it, I would send more
but, I will get Dennyrd some thing's and
send him. The reason I am writing

Ellis and Dennerd in another
letter is that I don't have
