Dear Mama and Ellis

How are you all? Better I hope
This leaves me fine. I am working
six days again this week so am
rushed a lot again. Why are
they going to take Ellis in November
or December anyway? I don't see
how they can take him.

Aaron got a leave last week
end so he came down. You know he
is at Camp Hood now. So I didn't
get to see Lillie or Evereth either
one though. He really looks well.
Said he would try to come again
in two or three weeks.

Haven't seen Aunt Tressa in a
good while now. We work such
different hours. I don't go to work
until 9:30 tomorrow and work until
12:30 and then 5 until ten tomorrow
night. They won't make us have such
bad hours ~~but~~ ^{when} we are there longer
though.

Will be glad when I catch up on my
letter writing as I think I still owe two.
Leonard told me about getting the
peanuts thrashed, or was it you? What
about a carton of them anyway?

Maybe give a Christmas present before ^{late of last}
Christmas if I get it finished. Another ^{from} Emma Dear

Dear Dennard,

Just was very shocked to hear from you again. My, my, you can write can't you Child?

Well gives the sad unaware to the most sad question in most honorable letter. Can't come home until June because no days off in which to come home in. Am working six days again this week so gives a plump little paycheck maybe you should see my new Coat. Boy it is a honey. Just got it today.

Now that they are going to take Ellis in the army you will have to see after der Mama eh what? I have the next thing to my own home over here. Really it is like home here. What's this I hear about parched peanuts that Leonard got? Better "gifts" me some or else. I'll get you a Christmas present if you will. See?

Well how's my little nephew, Wm. H.; the little old Chap?

I heard Roy Rogers on the Texaco or Fred Allen program the other night. And I saw a good little show this afternoon too. "The Major and the Minor" was its name.

Guess who came Sunday? I was over at Lillies and me and Mrs Anderson decided to go to the show so we met Aaron coming to Lillies

He didn't have very long off so he said he would come back again in two or three weeks.

Will hope to get a few punnets in a few days.

Oh yes mama spelled this street like some ones name like Robert Bryan Billingsley. Ha ha. I to Bryan.

How would you like for me to call you. I'll be at the Creamery some Sunday and give a little talk on the phone. Maybe.

Oh and I have a room mate to a pretty sweet little old girl by the name of Jimmie Bailey. Sure do like her. She reminds me of Dorothy.

That's about all the stuff, new and old. I guess so give an unsworn swone. Because I have to write mama a little cheerful letter.

unsworn weal sworn

Dear

Got a call from Les Griffin today. He talked just like he does on the radio.
