Dear mama:

Just a few lines in ans to your Card which I was glad to get today. I answered your letter, but I guess it didn't get home before you left to go to Tyler, but I told them to send it to you if you had already gone to Tyler. Glad you was O.K, hope this finds you feeling fine, I am about the same.

You did not say for sure that you was going to Dallas or not, so I am sending this to Lillie's address anyway and you didn't say how long you would be at Aunt Orange's either so I

figured you would be at Lillie's
as you had been at Tyler a week,
and as you was that close to
Dallas, I just thought you
would go on up there as you
did the last time you went
to Tyler. If you are not at
Lillie's, she can mail this to
you at home and I am mailing
Ellis and Dennard a letter, so
you will hear from me if you
are at home anyway. Just got
a letter from Ellis today
they ^{for and Den} were O.K. How is Lillie and
Emma? O.K. I hope, guess they
got my letters by now. Ellis said
they had got plenty of rain, sure
glad to hear about it, guess you
all will have plenty peas and

butter-beans now. Guess you
all will have a job canning
peas pretty soon. He said
Den sure was a good Cook.

You know I took a nice little
trip the week end of the 4th of
July, sure did enjoy the trip,
but we had to go in such a
rush all the time we were gone,
I'm sending some pictures
home of the views of the in-
side of the Carlsbad Cavern.
They are good pictures to be
made away down under the
ground. We were gone two days
and two nights. I will send
some pictures of ourselves when
I get them. Ans real soon.

Love,
Lenard.
