take it

er mail

she is

run. It and I

a Cross w Jig

so if you want them.

with

saw Dug.

Had to work last night until

10:00 so I had to write some

after I got off. But I did not.

Have't seen Lillie or cabled

her but once. Guess I will

have to go over there Thursday.

A girl brought her dog over

here yesterday and it would run

all over the place. Was not so

friendly though.

Will have some pictures to

send you pretty soon as we took

some yesterday.

Answer real soon,
love
