Dear mama + boys:

Will answer your letter
recieved several days ago.
Hope you are all well.

I've been sick with a
cold had high fever
& days + nights, my throat
was awful sore, I've started
my cold shots, now my
arm is all red + sore
sure wished for you
when I was sick, not a
soul was here but me,
Its lonesome enough when
one is well.

Will did you all get
the Chimney built, it
hasn't been cold here

since I was down
there.

I havn't seen E.D., but
once, she came over
to spend the night with
me + had asthma
most of the night she
helped a girl Jack, said
the dust gave it to
her, she went + got
a shot in a little
while she was all
right.
