

Baytown Texas

November the 2. 1949

wednesday night

Dear Mrs Ramsey got your letter to day glad to hear from you and to no that you are having a nice time we are having cool weather here havent had any rain this week I am still working every day they are calling for me from ever direction to work for them so I dont no how long I will be here I am going to stay here as long as the work last my work is light and good money to if I was at home I would not be making any

thing it looks like I will be
here far quite a while the way
they are calling for me
I did not go home last week
dont no if Belton is going
home this week are not if he
dose I will to so if I do go
home it will be lonesom
with out seeing you just the
same I will be thinking of you
and hope we can see each
other be fore to long keep me
posted where you are and keep
your letters still coming and
I will do the same send my
letters here till I tell you
not to I still love you and
dream of you R. L. Smith
