Dear Mrs Ramsey thought I would write you and tell you a bout what a time I had last saturday night with my pickup I went down to Bill Adams and went down to center with them and when we got back to his house my pickup would not start we pushed it off and got nearly to Jack Base it went dead a gain got it started and got to Robert Rhoades and it stoked I got Robert to take me home and he ran in the ditch be fore we got home so both of us had to walk home he went one way and I went

the other way so I got a team
and pulled his car out and then
went over to his house and
got my pickup Sunday morning
I went to Henderson yesterday
and the boys found my trouble
it was a short in the wire
hope that trouble is all over now
it ran fine to day

brought back two rugs and
a washing mashine I am going
to Henderson to marrow will
stay there for the next week

I still love you and think of you
ever day I will see you as
soon as I can when I get back
if you write me send it in
care of Common and Hale
