Dearest Esther

Received your letter a few days ago was glad to hear from you & hope your back is better by now. we are all well. But still sad & lonesome. so your letter was a comfort & we want you to write often.

I had a letter from orange yesterday she said she was pretty tired as she was moving I also had a letter from Lonetta & she said her Dad was just living on shots

My Daughter Ruth & Baby went back to Albany. Thursday she had been here since her Dad Died we miss her so much. that was the first time she had been home in 3 years

See I wish it would rain it is so awful dry here. It looks like it will be cold. & I do hope it will rain.

You ask me if any of our folks
on either side lived close to me.
Just the Cummings they all still live
up here only Chance Sullivan and Ellie
they all live in Houston they are the
only ones of Press People here & they all
though so much of him. & for me there
isnt any of my own family just
distant kin. all of my folks live in
Houston. & for Sueaddie she & Joe live
in Bryan. But stay in Houston most
of the time as their children all live
there I never see any of them.
well I guess I will close as I dont
know any news. so answer when
you have time & come to see us if
you ever have a chance.

Love & Best Wishes
Mabel & Family
