Dear mama Ellis & Pennard,

We are back safe & sound
and it is really cold this morning.
We got in about 5:00 and only
stopped twice on the way.
Washed and ironed some last
night as Warren will be gone
this week he said

I left my little box of
cream on your dresser mama
so would you wrap it something
like Len wrapped your pen and
send it soon as you can. Here
is some stamps.

Have lots of washing to do
and must put the Christmas
Tree up before it gets mashed
too much.

Thanks for the potatoes. I made
Soup for Paul & Evelyn and they said it was

just like yours.

We'll must hurry and get this
in the mail. Write soon.

Love,

E Dean Warren Paul & Eldy
