"Pansies  
are for Thoughts"

Because today's  
your Birthday, Mom,  
You know each hour will hold  
So many happy thoughts of you  
They cannot all be told!  
And every thought will bring the wish  
That you may always share  
All the joy that life can hold—  
And then some more to spare!

Guess it is a little late  
hope you all are ok. We are fine
