Dear Dogwood Garden Club Scholarship Committee,

Thank you for your dedication and continued support to help students further their education. Your dedication to help students with their financial struggle is tremendously important, and I cannot thank you enough for the scholarship you gave me.

Your scholarship was like a ray of hope through my thoughts that affording college would be a challenge for me. It has given me the inspiration that people will be there to support, even through my hardest journeys. I want to thank you for considering me for this scholarship and this is a huge blessing in my college journey.

I appreciate you very much and look forward to continuing my education using your scholarship.

Sincerely

Kristina Aji
Lufkin High School Student
